SOUL-ITUDE

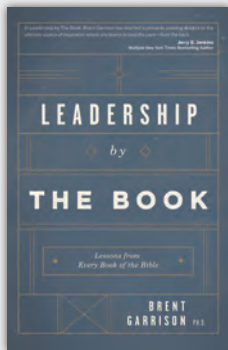

Finding Peace for the Stressed-out Soul

In Biblical times, when people needed to find more clarity or come closer to God, they often went somewhere away from people, where there was nothing but their thoughts and God's creation (think Jesus in the desert, Moses on the mountain). They sought solitude for the soul. This book is not only an encouragement to find solitude, but hopefully a source of solitude as well. Let these words and pictures be a motivation to you and a small relief from the daily noise.
